

**Augusta, Georgia
2011 Masters Tournament Traffic
Public Information Meeting
March 9, 2011
5:00 p.m. – 7:00 p.m.**

Summary: In the City of Augusta's continued effort to improve traffic operations in the vicinity of the Master's Golf Tournament, the city is proposing a change to the operation of Berckmans Road during the evening exiting period, which occurs Monday through Sunday from approximately 4:00 pm to 9:00 pm.

Beginning at approximately 4:00 pm each evening between April 4 and April 11, Berckmans Road will be converted to a one-way operation south of Cherry Lane. Southbound traffic from Washington Road will be shifted into the northbound lane just south of Cherry Lane. These vehicles will be required to maintain this lane through the intersection at Ingleside Drive and continue south toward Wheeler Road/Walton Way.

Traffic exiting at Heath Drive will operate under a free-flow right-turn condition into the existing southbound lane and will be required to maintain this lane southbound to Ingleside Drive where they will be directed westbound along Ingleside Drive toward Boy Scout Road.

Recognizing that access to the adjacent neighborhoods will be a challenge, Richmond County deputies will be stationed along Berckmans Road to facilitate the safety of the operation as well as allow access for residents of these neighborhoods. The locations that deputies will be stationed include: Wicklow Drive, Yorkshire Drive, and Willow Ridge Drive.

The above operation will continue through approximately 9:00 pm each night, as traffic dictates.
